What is Catholic Charities and Adopt-A-Family?

The Catholic Charities Adopt a Family program has been helping the community for over a decade, matching compassionate donors with recipient families and providing gifts to seniors, children and families who might otherwise have none.

Families are nominated by a Catholic Charities staff member who assesses their needs and works with them to be adopted. These families are already plugged into one of Catholic Charities ministries like Early Childhood Education, Kinship, Catholic Charities Housing, Marisol Family, Marisol Homes or Marisol Health.

Two ways to give:

1. **Sign up to Adopt-A-Family and shop for a family or individual. Start a family tradition of participating in this awesome program.**

2. **Don't have time to shop? We'll shop for you! Make a financial gift or buy a gift card (or two!) and we'll do the shopping for you!**

Please note: in order to preserve both client and donor confidentiality, we do not directly exchange gifts. For those shopping, we will be having a specific drop-off day Tuesday, Dec. 8. We will be offering easy and comfortable drive-thru drop-off, allowing you to stay in your car when delivering donations.

How do I adopt?

Anyone can be a donor! We have many individuals, families and businesses who partner with us to adopt and provide holiday gifts for these families. Beginning November 1, 2026, we will open our Adopt-A-Family website that will allow you to see the families we are working to match this Christmas. Visit us at ccdenver.org/adoptafamily for more details!

Where can I go if I or my family needs to be adopted this Christmas?

Catholic Charities works very hard to find donor matches for the hundreds of families that receive assistance through one of its ministries. If you are not receiving assistance through Catholic Charities, please try United Way, or call 211 for assistance.
